

In the Specification:

Please amend the specification as shown:

Please delete the paragraph on page 9, lines 3-7 and replace it with the following paragraph:

Figure 1

shows promoter sequences and plasmid maps of the reporter plasmids pT7-FF (A) (**SEQ ID NO: 5**) and pXyl-FF (B) (**SEQ ID NO: 6**). In promoter sequences the promoter region, relevant restrictions sites, Shine-Dalgarno (SD) sequences and N-terminal regions of the firefly luciferase are shown. **Peptides disclosed as SEQ ID NO: 7.**
